

Tempofor® PROTECT CLASSIC

Thanks to its wide range of options, the versatile Tempofor® CLASSIC fence easily adapts to all applications and needs.

Benefits

Reliability and versatility

Tempofor CLASSIC fence panels are available in 3 sizes and with a range of options (reinforced corners, protruding barbs).

Quality and durability

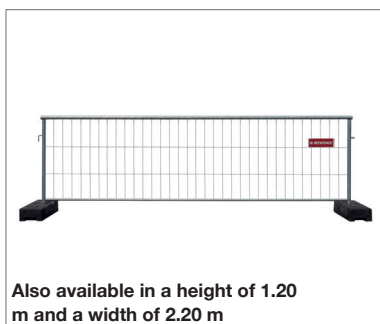

- Galvanising provides long-lasting corrosion protection in all weather conditions
- The four tubes are carefully welded, making the frame robust
- High-quality wires, individually welded to the frame, ensure optimal tensioning

Choice and flexibility

The Tempofor range offers several mobile fencing solutions to suit the specific needs of each site:

- A wide combination of panels (wires, meshes, tubes)
- Tailored options and accessories
- Complementary products (gates, turnstiles and transport/storage racks)
