Tempofor® SCREEN

Tempofor® SCREEN privacy fencing ensures discretion and security on construction sites. They are available in several designs, providing solutions for every specific need.

Benefits

Discretion and security

- Protects construction sites or media events from prying eyes.
- Protects pedestrians on construction sites

Quality and durability

- Reinforced construction, made using a hot-dipped, galvanised tubular frame with profiled and coated metal plate infill.
- Anti-poster cladding
- Anti-lift hook to secure the site

Customisation

- A choice of 3 versions: 1.20 m or 2 m high closed panels and 2 m semi-closed panels.
- Available in several colours
- Compatible with our mobile fence panels and accessories
